

Dear Parents and Carers,

VR Head Sets

This week our year 3 and year 6 children had a fabulous VR headset experience! Year 6 learned all about climate change and what the world might look like in the future and year 3 got to experience life in the rainforest. This really enhanced their learning for the term.

Go Green Day

Today was our "Go-Green" day. Year 4 have been monitoring our energy usage for the past two weeks and today everyone worked together to save energy! Thank you to those who donated toward the recycling bins that Year 4 would like to buy.

KS1 phonics stay and play

Thank you so much to all of the parents who attended our Stay and Play Phonics event this week! It was amazing to see so many of you there supporting your children's learning. Remember reading is key to learning- *"The more you read, the more you know. The more you know, the know more places you'll go!"* Dr Zeus

SEND Parents Coffee Morning

Thank you to the parents who attended the SEND Coffee morning this week. We talked about the local offer, Place2be and Zones of regulation. The next will be in Spring 1 all about sleep from the Sea Shell Trust.

Meet Ralph!

Most of you will probably have seen our school dog, Ralph around more often. Ralph comes to school a couple of times a week. He loves to see the children's work and help children who are feeling a little sad.

Attendance

Our attendance was a lot lower this week- I think lots of people were feeling under the weather. Unfortunately we were down to 91.9% with only 3 classes above 94%. Mr Hayne's class knocked Miss Bryan's class from their winning streak with a fantastic 96.9%!
