

Dear Parents and Carers,

**Enjoy your holiday - remember we come back to school on Wednesday 5<sup>th</sup> June!**

### Rights Respecting School

We are a rights-respecting school and committed to teaching all our children to behave respectfully. Please be respectful of other people's belongings in and around school and do not take anything that is not yours. Thank you for your support with this.

### Year 3 Trip to the Art Gallery

Our Year 3 children took a tram to Manchester in Wednesday to visit Manchester Art Gallery. They had a fantastic time learning all about Ancient Greek art. They sketched their own examples and enjoyed seeing the artwork.

### Reception Chicks!

The Reception children have had a fantastic time the past two weeks watching their eggs hatch into chickens! They have been observing the eggs over time to really understand the life cycle of a chicken.

### Sale Sharks

Over the last 5 weeks, year 3 have been working with coaches from the Sale Sharks Foundation learning both practical rugby skills and classroom based activities.

In our practical lessons, we learnt the basics of rugby building on the rules weekly.

In the classroom, we looked at the different elements of promoting good mental health. Connect - how we respond to life's ups and downs. Be active - how physical activity affects the way we feel. Keep Learning - how learning new skills keeps us motivated and focused. Take Notice - understanding how people might change when they are feeling down. Give - what we can do to cheer other people up.

### Year 1 Blackpool Zoo

Our Year 1 children had the best time at Blackpool zoo this term. They saw lots of animals as part of their topic this term. We were very proud to receive lots of compliments from members of the public for the children's excellent behaviour on the trip.

### Attendance

We're really proud of our attendance this week and we've managed to get up to 93.4%! Keep it up everyone. The winning class with a whopping 99% was Miss Mackey's class! Well done 5M!
